NEWS RELEASE

March 14, 2019

Recycle your electronics- protect yourself from fraud

March is Fraud Prevention Month, and AbbyPD and the Electronic Recycling Association (ERA) are partnering to help protect your private information after data destruction.

During our safe destruction event, citizens are invited to bring unwanted electronic devices such as hard drives, computers, laptops, phones, tapes and other small devices storing sensitive data, where they will be securely destroyed for FREE. Electronics will be destroyed on-site to prevent data being recovered from old equipment.

Join us for this event at the Abbotsford Police Headquarters Building (2838 Justice Way) on March 28th, 2019 from 11am to 1 pm. If you are unable to attend, please visit <https://www.electronicrecyclingassociation.ca/how-it-works/> for drop off instructions and locations.
