### **AbbyPD's Crime Reduction Unit Arrests Repeat Property Offender**

**Abbotsford, BC – April 24<sup>th</sup>, 2026** – In November 2025, Abbotsford Police Department Patrol officers responded to a report of a residential break and enter in progress in the 32500 block of Peardonville Road. As a result of that investigation, 35-year-old Jaskaran Singh was located, arrested and charged with Break & Enter.

Following his release from custody in March of 2026, Mr. Singh was released into another community within the lower mainland under several court-ordered conditions, including 24/7 house arrest.

On April 7<sup>th</sup>, Abbotsford Police Patrol officers responded to a residential break and enter in the 32600 block of Bevan Avenue, where Mr. Singh was quickly identified as the suspect in this incident.

AbbyPD's Crime Reduction Unit (CRU) assumed conduct of the investigation and subsequently located Mr. Singh in the Abbotsford area while he was in violation of his court ordered release conditions. On April 16<sup>th</sup>, Mr. Singh was arrested by CRU.

Charges of break and enter, possession of break-in instruments, and five counts of breaching a release order have since been approved in connection with the April 7<sup>th</sup> incident and the arrest on April 16<sup>th</sup>. Mr. Singh remains in custody.

AbbyPD's Crime Reduction Unit continues to play a critical role in identifying repeat offenders, enforcing court-ordered conditions, and disrupting ongoing criminal activity. Their proactive approach and coordinated efforts remain essential to reducing property crime and enhancing community safety across Abbotsford.
