Update: AbbyPD Investigating Shooting Incident

Release #2
Oct 23 2019

On October 22, 2019, at 7:25 pm, Abbotsford police patrol officers responded to the 31700 block of South Fraser Way for reports of shots fired.

Upon arrival, officers confirmed a shooting had occurred and that two vehicles involved had fled the scene. Shortly afterwards, police were called to a car fire a short distance away. It is subsequently believed that the burning vehicle was one of the vehicles involved in the shooting.

While AbbyPD officers were responding to both incidences, a report was received that a shooting victim had arrived at the hospital in a vehicle with noticeable gunshot damage. AbbyPD officers arrived at the hospital to find a South Asian male in his early 20's suffering from non-life-threatening gunshot injuries.

Major Crime Detectives and the Forensic Identification Section are continuing to investigate this incident and the vehicles have been seized for further analysis.

The AbbyPD believes that this is a targeted shooting but the motive is unknown at this time.
