NEWS RELEASE

AbbyPD Headquarters Public Service Counter Re-Opens

Effective Tuesday, May 19th, The AbbyPD Public Service Counter (located at 2838 Justice Way) has now re-opened.

The Public Service Counter will be open regular business hours but will operate in a modified capacity. The number of visitors in the AbbyPD lobby will be limited to a maximum of 4 at any one time to allow for appropriate physical distancing and more rigorous cleaning. We ask visitors to be patient, as these protocols may result in a longer wait for service, or a queue outside of the building.

It is crucial that we all do our part to reduce the spread of COVID-19. Please help keep our employees and other visitors to AbbyPD safe. Please do not bring your family or friends with you to AbbyPD, and do not attend if you are exhibiting cold or flu-like symptoms. If you are symptomatic, please contact us electronically - incidents may be reported online at abbypd.ca, by text to 222793, or by phone at 604-859-5225. Call 9-1-1 in the event of an emergency.

At this time the AbbyPD Community Police Office Front Counter (located at 34194 Marshall Road) will remain closed.
