STRENGTH IN COMMUNITY

## **AbbyPD invites you to get outdoors and Geocache!**

Want another reason to enjoy the great outdoors? The AbbyPD invites you to join us for our Geocaching Summer Event. Discover Abbotsford parks, trails and landmarks you never knew existed while searching for hidden treasures!

How it works....

- Download the FREE geocaching app ([www.geocaching.com](http://www.geocaching.com)) to your GPS-enabled mobile device.
- Create or log in to your Geocaching account.
- Search for "City of Abbotsford".
- Navigate using the Geocache App to locate the AbbyPD hidden caches.

The AbbyPD caches will only be found on public property and they will not be placed in a manner that damages or harms property or the environment.

The AbbyPD Geocaching event will run from July 1 to October 1. Further details of which cache locations contain the AbbyPD treasure will be posted separately.

Celebrate the Abbotsford Police Department's 25th Anniversary with us and enjoy our community! Join us for other summer events, including the AbbyPD Canada Day Celebration Scavenger Hunt and free Commemorative Coin Collection events!
