## **INITIAL RELEASE- December 23, 2020**

### **Hit and Run to downtown restaurant**

The NINE Kitchen and Lounge restaurant patio in downtown Abbotsford was struck this past weekend in a hit and run. This hit and run occurred 11:30 pm on Saturday December 19 at 2625 Montrose Ave.

The damage was discovered early Sunday morning by one of the owners when they came in to work.

CCTV footage from neighbouring businesses shows a vehicle skidding down Montrose Ave, driving onto the curb and smashing into the patio. Businesses that have been able to remain open continue to struggle under COVID-19 restrictions, incidents as this add just one more challenge to these already trying times.

The suspect vehicle is a dark sport-style car with front end damage.

If you have information about this hit and run, please contact the Abbotsford Police Department at 604-859-5225 or text APD at 222973 (abbypd).
