## **Fatal fire on Bradner Road**

On Monday, December 28, 2020 at approximately 4:30 am, Abbotsford Fire Rescue Service responded to 9-1-1 calls of a fire in the 2400 block of Bradner Road. Upon arrival, firefighters located a trailer on the property fully engulfed in flames.

When firefighters were able to search the trailer, they located a deceased 66-year-old man inside. No one else was in the trailer at the time.

We offer our condolences to the family and friends of the deceased man.

Abbotsford Police investigators, Abbotsford Fire Rescue Service Investigators and BC Coroner's Service continue their investigation into the cause of the fire, which does not appear suspicious at this time.
