APD NEWS RELEASE:

APD FILE # 2009 – 37230

RELEASE # 1

DATE OF RELEASE: September 29, 2009

Incident: Shooting on Harris Road

Abbotsford – September 29, 2009.

Last night at 11:30 pm the Abbotsford Police Department Patrol Division was called to the 34200 block of Harris Road for a report of shots fired. Upon arrival police found a male lying on the road adjacent to a residence and property. The male was suffering from an apparent gunshot wound to his right foot. The male was transported to area hospital for treatment of non life-threatening injuries. A search of the area and of the residence for other victims and potential suspects revealed that a marijuana grow op was contained inside. The specific association between the male and the residence has not yet been determined. He has not been cooperative with police in regard to the circumstances surrounding his injury. The male has an extensive history with police.

This incident is not believed to be random and it once again illustrates the inherent dangers associated with those involved with drugs at any level.

Presently the Abbotsford Police Department's Major Crime Unit, Forensic Identification Unit and Patrol Division are investigating this incident.
