Incident: Operation Impact – APD High School Presentation

Abbotsford – November 24, 2009.

The Abbotsford Police Department began "Operation Impact – Warning, Informing and Encouraging", this week in local high schools. This one hour audio-visual and presenter based message to high school students follows Operation Tarnish in the Abbotsford Police Department's commitment to do something about gang involvement, drug dealing and criminal activity in our community.

The media is invited to attend an Operation Impact session on Thursday, November 26 at Abbotsford Traditional School located at 2272 Windsor Street at 12:25 pm. All those planning on attending must contact me via email to confirm. There will be no filming or recording of the students or staff during the presentation. You are free to film or record any part of the presentation itself. Interviews of staff and students must take place off of school property.

I will meet all confirmed members of the media in advance of the presentation and escort them into the gymnasium.

All questions, concerns and comments should be directed through email only please.
