Incident: Abbotsford Police Investigate Suspicious Fires

Abbotsford – January 13, 2010.

The Abbotsford Police Department's Patrol Division attended two suspicious fires at neighbouring townhouse complexes in the area of the 32300 block of Mouat Drive and the 3000 block of Trethewey Street early this morning. At 1:45 am police members and fire personnel attended a large fire that caused damage to five townhouse units and several vehicles at the Mouat Drive location. Fortunately, no persons were injured in that fire. Minutes after this fire was reported, a smaller fire was located in a carport at an adjacent townhouse complex on Trethewey Street. That fire was quickly extinguished with only minor damage being incurred. Again it was fortunate that there were no injuries.

Both fires are being actively investigated by the Abbotsford Police Department's Major Crime Unit with the assistance of the Forensic Identification Unit and the Patrol Division.

Anyone with information about these incidents is asked to call the Abbotsford Police Department at 604-859-5225.
