Story: KidSport Abbotsford Launches at APD Family Fun Day

On Saturday, June 5, 2010 KidSport Abbotsford made their first public appearance at the annual Abbotsford Police Family Fun Day held at Mill Lake Park. The Abbotsford chapter joins 37 others operating in the Province of British Columbia and 175 others across Canada. KidSport raises funds to provide grants that allow kids to participate in organized sports programs. These grants serve to overcome the economic obstacles of registration costs that can be prohibitive to some families. KidSport strives to give all kids the opportunity to reap the social and personal development benefits that sport can provide.

KidSport Abbotsford will be in attendance at many other community events throughout the summer as their fundraising efforts continue. The first grants will be provided to kids in the City of Abbotsford in time for the commencement of the 2010/2011 school year.
