Incident: University Practicum Student Arrested for Sex Offence

Abbotsford – August 12, 2010.

On April 9, 2010 the Abbotsford Police Department received a complaint that a 22 year old male university practicum student working at a Secondary school in Abbotsford, may have engaged in inappropriate conduct with a 15 year old female student. The result of the police investigation alleges that Brian William DAVIS befriended the student, continued that relationship outside of school hours through exchanges on a social networking site, through text messages and by face to face contact. On April 3, 2010, DAVIS and the 15 year old girl were together physically. This morning he was arrested and charged with one count of Sexual Interference which stems from that encounter.

DAVIS is a university student studying kinesiology who was placed at the high school as part of his practicum assignment.

The Abbotsford Police Department's Major Crime Unit is requesting that anyone with information about this incident or any other involving DAVIS contact us at 604-859-5225.
