APD NEWS RELEASE:

APD FILE # 2010 - 35325

RELEASE # 1

DATE OF RELEASE: September 15, 2010

Incident: Police concerned for the welfare of a 66 year old woman.

Abbotsford – September 15, 2010.

The Abbotsford Police Department is seeking to make contact with, or obtain information about the whereabouts of, Dianne Kathleen PEARSON, a 66 year old Abbotsford resident. On August 27, 2010 a friend of PEARSON's contacted police to report that she hadn't seen PEARSON for about three weeks. She explained further that PEARSON has some health issues that could impact her judgment, is overly trusting and giving and may be in the company of a person that might not be looking out for her best interests.

The investigation is presently being coordinated by the Major Crime Unit of the Abbotsford Police Department. To this point, investigators have received two credible sightings of PEARSON, the most recent being in early September where the witness indicated that she appeared to be in good health and spirits. Nonetheless, police would like to have contact with PEARSON directly and to advise her of the concerns expressed by friends. Anyone with information is asked to call the Abbotsford Police at 604-859-5225.

PEARSON is 5'4" tall, 130 pounds with short grey hair, hazel eyes and walks with a limp. Two photos of PEARSON are attached to the release.
