### Incident: Abbotsford Public Safety Survey

**Abbotsford – October 20, 2010.**

The Abbotsford Police Department would like to thank the Centre for Public Safety and Criminal Justice Research in the School of Criminology and Criminal Justice at the University of the Fraser Valley for their work on the Abbotsford Public Safety Survey. The results of that survey are attached to this release and will be posted to the [www.abbypd.ca](http://www.abbypd.ca) website for reference and review.

The Abbotsford Police Department values the input, thoughts and opinions of the citizens of Abbotsford. While it is clear that we have the support of the citizens we serve, there are many areas for us to improve. We are committed to doing that. The feedback contained in the survey will serve to both motivate and direct us in the future. We are grateful to everyone who completed the survey questionnaire. By doing so they not only shared with us but they contributed to their community and advanced public safety.
