RELEASE # 1

DATE OF RELEASE: August 18, 2011

Incident: **Abbotsford Police Launch New Website**

Abbotsford: In the ongoing effort to communicate with the public as much and as effectively as possible, the Abbotsford Police Department has launched a new website.

The new website that went "live" earlier this week is "designed to engage the community and make it easier for the public to access information," said Sgt. Casey Vinet. "We are pleased with the overall look and feel of the site and hope people like the new design. One thing people should notice right away is that it is much easier to navigate and find information regarding the APD they maybe interested in."

The public is invited to visit the APD's new website at www.abbypd.ca
