APD FILE #     2009 - 7765                    RELEASE  #  3

DATE OF RELEASE:    March 4, 2012

## Incident:   Missing Person Wesley FOULDS

**Abbotsford – March 4, 2012.**

The Abbotsford Police Department has been investigating the disappearance of 54 year old Wesley Craig FOULDS for three years.  We are once again appealing to the public for assistance with this missing person file.

FOULDS left his Abbotsford home for a doctor's appointment in Burnaby on the morning of March 4, 2009.  He was driving his red, 2007 Dodge Ram pick-up truck bearing license plate 0833EH.  This truck was eventually located in the parking lot of the Hayward Recreation area north of Mission.

In 2011, we received information from a witness who believed they observed FOULDS driving westbound on the Lougheed Highway with someone in the passenger seat of the truck on the day of his disappearance.  To date we have not received subsequent information from other witnesses about this observation but we view all information and witnesses as valuable.  For that reason we are encouraging people to again come forward with any information or accounts they have of that day and encounters they had with either FOULDS or his truck.

Attached are photos of FOULDS and the pick-up truck he was last seen driving.

Anyone with information should contact the Abbotsford Police Department at 604-859-5225 or Crime Stoppers at 1-800-222-8477.
