Incident: Abbotsford Police Release Operation Veritas Video #5

Abbotsford – July 25, 2012.

The Abbotsford Police Department's commitment to anti-gang and positive choice messaging continues with our latest Operation Veritas video entitled "Gated Community". The Operation Veritas initiative began in the spring of 2010 as an extension of a truth based messaging intended to combat the myths of the supposed glamorous gangster/criminal lifestyle. Choices have consequences but it is never too late to make a good one. The APD believes that these initiatives and community efforts have to be concerted and long-term to be effective. The lives of young people are worth that type of commitment. Please view the video and share it with others <http://www.youtube.com/watch?v=l5CsJDtUxNs>
