DATE OF RELEASE: September 4, 2012

Incident: Shooting on Bradner Road

Abbotsford – September 4, 2012.

This morning at 2:30 am Abbotsford Police received a call from a Bradner resident reporting that he heard a number of possible gunshots and what sounded like a vehicle speeding away. APD Patrol Division officers attended the area and located a dark coloured Ford SUV and a 24 year old man in the 2500 block of Bradner Road. The man had a gunshot wound to his arm. The man and others who were believed to be occupants of the SUV have been interviewed by police. The shooting victim's injuries are not life threatening.

The Abbotsford Police Department's investigation is focused on identifying all of the persons present when the incident took place, the reason for the gathering of persons on this rural road in West Abbotsford in the early morning hours and the potential criminal backgrounds of any who were involved.

This shooting does not appear to be random but rather the result of a dispute.
