### Incident: Witnesses and Information Sought for Pedestrian Struck Incident

**Abbotsford – May 20, 2013**

This afternoon at 5:30 pm a driver observed a person lying on the east shoulder of Peardonville Road in the 1800 block. Officers from the Abbotsford Police Department and BC Ambulance Service were dispatched to the location. A 39 year old South Asian man wearing a white shirt and beige pants was taken to hospital with non-life threatening injuries. Although he is still receiving treatment and being interviewed by police, early indications are that he was struck by some type of vehicle.

APD Patrol Division members and Collision Reconstructionists are continuing the investigation and we are seeking witnesses and information concerning this collision. It is likely that some people would have observed this man walking prior to the impact or may have observed a vehicle stopped or slowed in the area during that time frame.

Anyone with information about this incident should call the APD at 604-859-5225 or text 222973 (abbypd).
