Incident: Deceased Man Found Inside Business

Abbotsford – August 16, 2014

This morning at 6:30 am, an employee arrived at a business in the 31000 block of Peardonville Road. She immediately noticed that a side door was damaged and that there was something strange about the interior "accordion" security gate. Upon further inspection she saw what appeared to be an unresponsive man stuck under that gate. The employee called police. APD Patrol Division Officers arrived and confirmed that a man, believed to be in his 30's, was in fact dead just inside the side doors to the business. Police are investigating and working to determine the identification of the man and to notify his next of kin. We will also be working with the coroner to determine the cause of death.

The Abbotsford Police Department extends condolences to the family and friends of the deceased.
