Incident: Update to Suspicious Circumstances – Man Down

Abbotsford – May 11, 2015

After investigation by APD Major Crime detectives, which included an interview with the injured man, there is no evidence to suggest that the incident involved an assault of any kind. Police and the man believe the injuries were sustained as a result of an accidental cut and subsequent fall. Our investigation is concluded.

Initial News Release of May 9, 2015:

On Saturday, May 09, 2015 at 11:00 am a resident in the 34000 block of George Ferguson Way located an injured man in some nearby bushes. The 43 year old man was transported to hospital where he received treatment for a number of injuries including for trauma to his head.

The Abbotsford Police Department is investigating and attempting to determine exactly what happened to this man. We cannot rule out the possibility that he was assaulted. The APD have deployed Patrol, Forensic and Major Crime resources.

We are continuing to gather evidence and are looking to speak to any witnesses who may have information about the incident.
