APD FILE # 15-15468, 16218, 16276 RELEASE # 1

DATE OF RELEASE: April 30, 2015

### Incident: Four Restaurant Robberies in Less Than Two Weeks

#### Abbotsford – April 30, 2015

In the period from April 18 to April 29, 2015, robberies occurred at four Abbotsford restaurants. All four of the restaurants are in close proximity to each other in the 32400-32500 blocks of South Fraser Way and all are fast food operations. The suspect description is similar for all of the robberies – a Caucasian male, 20-30 years of age, slim build 5'7" to 6'0" tall. The suspect was wearing a dark-coloured hoodie during all four robberies. These incidents have taken place during daytime and early evening hours. On one occasion, a knife was produced by the suspect; the other three times a weapon was implied but not produced.

The APD is releasing a surveillance still image and asking the public's assistance in identifying the suspect. In addition, we are encouraging area businesses to increase security procedures in light of these recent events.
